Liquor or tobacco causes a diseased condition of the nerve cells, You have, no doubt, often made strong resolutions, saying you will never use either again, but when every little nerve cell cries out for the poison it has been accustomed to, you are easily persuaded to grant that desire and return to its use. You are unable to keep this resolution without the aid of a remedy which will take charge of your entire system and place it in its natural healthful condition. "TRIB" permanently restores the

Army to Have a General Staff Like

Other Powers. London, Nov. 21 .- H. O. Arnold Forster, secretary for war, today issued an important minute etibodying the decisions of the army council for the formation of a general staff sucl as is possessed by other Europe Levy dealt principally in mining powers. The minute is addressed to shares and his principal operations Lieutenant General Sir Neville Lyttle ton, who, on the advice of the Lord Esher commission, has already beeappointed "chief of the general staff.

> ering together of the ablest mer the army, to place the fortunes of the army always in their hands, and thereby to form a school of military though any other army. The minute provides that the officers of the general staff shall be selected according to their qualifications and not according to their rank; that they shall be in the prime of life, and be
